

# Covid-19 Guidelines

Updated 6/28/20

In order to keep our staff and students safe, the following guidelines will need to be followed by both the dancers and family members. We appreciate your cooperation.

- Staff and dancers will be the only ones allowed inside the studio building. Parents, grandparents, and other family members will not be allowed in the building. This not only protects our staff and dancers, but also helps keep our occupancy down.
- Our lobby and office will be CLOSED until further notice. Payments must be made online or by mailing a check.
- Due to the current circumstances, everyone in the studio must wear a face covering.
- Class sizes will be much smaller to comply with the 25% occupancy rule.
- Our staff will sanitize and disinfect the studio after each class. Classes may end 5-10 minutes sooner than scheduled to allow for enough time to clean properly.
- YOU are responsible for checking your child's temperature and symptoms before bringing them to class. Anyone who is suspected of being ill will NOT be allowed into the studio. Staff are required to follow the same guidelines.

We appreciate you being compliant with our guidelines to help keep our staff and students safe!
